

DINNER IN A BAG FOOD DRIVE

Co-op Principle 7: Concern for Community

We are working on a special project this year for our community. We are collecting shelf-stable items (see complete list below) to create “dinner in a bag”.

Food pantries can be hard to navigate when families are unsure how to put ingredients together to create meals. Our goal is to collect enough food and cash donations to build 300 dinners in a bag. We will then donate 50 meals to pantries in each of the six counties we serve. (Adams, Jay, Blackford, Delaware, Wells, and Randolph)

Thank you for helping us make this project a success!
